

OFFICIAL PROCEEDINGS OF
THE ST. MARY PARISH COUNCIL OF THE
PARISH OF ST. MARY, STATE OF LOUISIANA

FEBRUARY 8, 2017
FRANKLIN, LOUISIANA

The St. Mary Parish Council met on this date in Regular Session with Paul P. Naquin, Jr., Chairman presiding and the following members present: Rev. Craig Mathews, J Ina, Dale Rogers, Glen Hidalgo, Gabriel Beadle, James Bennett, Sterling Fryou, and Kevin Voisin. Absent were Ken Singleton and Pam Washington.

The Invocation was pronounced by Mr. Rogers and the Pledge of Allegiance was led by Mr. Hidalgo.

Mr. Voisin moved that the reading of the minutes of the Second Regular Meeting, January 25 2017, be dispensed with and that the same be approved. Mr. Fryou seconded the motion, which carried.

Mr. Donnie Coats, 917 First Street, Franklin appeared before the Council to state that the Bailey family is against rezoning of the Garden City Apartments, LLC-Lloyd Harris located at 128 Hwy. 3215 Garden City, LA.

Mr. Lloyd Harris, 128 Highway 3215, Garden City, appeared before the Council in favor of the Garden City Apartment Development and is against the proposed rezoning. Mr. Harris received Preliminary Development Approval from the Planning & Zoning Commission on January 23, 2017.

In response to Mr. Ina's and Rev. Mathew's inquiry, Mr. Harris stated that the property has been zoned High Density Residential since 2012 and also stated that the development is a market rate project that includes a gated community with the installation of a 10 inch to 12 inch water line from Centerville to Garden City.

In reference to Rev. Mathews question concerning the total investment and the market rate, Mr. Harris stated the total investment will be twenty two million and that the market rate for a one (1) bedroom apartment is \$850.00.

Mr. Emory Morgan, 225 Henry Street, Patterson appeared before the Council to request consideration to Rezone his property at 911 Joel Fletcher Street, Franklin, even though the Planning & Zoning Commission recommended denial.

Mr. Morgan stated that he was denied the Rezone request by the Planning & Zoning Commission on January 23, 2017 and that in the past, a manufactured home was located on the property. Due to the shape of the lot, a custom home would be hard to build on the lot, but would be willing to sell instead of rent.

Mr. Henry LaGrange explained that when the property was rezoned, there was an existing manufactured home located on it and became a Nonconforming Use which the ordinance states it can remain a Nonconforming Use. However, if it ceases to be used for that purpose for up to six (6) months then the use for the current zone takes place.

Mr. LaGrange along with several councilmen suggested options which included placing a modular home or custom built home on the property.

Mr. LaGrange expounded on procedures to reapply for a rezone once you are denied by the Planning & Zoning Commission.

Mr. John Burke, 2801 St. Charles Avenue, New Orleans informed the Council that he is obtaining a lease on former Cajun Coast Office and a residence in Patterson, Louisiana.

Mr. LaGrange explained that the ordinance between St. Mary Parish and Mr. Burke to lease the existing buildings will be on next meeting's agenda.

Mr. Mark Stephens, Councilman of the City of Morgan City, District No. 2 appeared before the Council to introduce himself.

Mr. Lyn Klutts, 102 Highway 182, Garden City appeared before the Council to express his support in regards to Rezoning of property at the corner of Highway 182 and Highway 3215, Garden City, LA.

Mr. Hanagriff expounded on the Bayou Chene and Amelia Belle projects.

In response to Mr. Beadle's inquiry regarding the Amelia Belle contract, Mr. Hanagriff stated that there were several changes from the original contract in regards to earnings and gross.

Mr. LaGrange explained in reference to Rev. Mathews inquiry that Amelia Belle does not give the Parish parameters on the use of the funds. This is done through the Budget that Administration presents to the Council. However, there are no restrictions to the use of the funds.

Henry "Bo LaGrange, Chief Administrative Officer presented his report for a two (2) week period ending February 8, 2017. (All items in Mr. LaGrange's report are informational.)

Item 1 in Mr. LaGrange's report stated, "The U. S. Census Bureau has written to advise that the 2020 Census Local Update of Census Addresses Operation will offer the opportunity for local governments to review the U. S. Census Bureau's residential address list prior to the 2020 Census. The Census Bureau relies on a complete and accurate address list to reach every living quarters and associated population for inclusion in the census. The primary purpose of the decennial census is to apportion the seats in the U. S. House of Representatives and to allocate monies to state and local governments."

Mr. Rogers questioned whether DOTD has responded to the request in reference to the speed reduction on Highway 182 between Garden City and Franklin.

Mr. LaGrange stated that Mr. Bill Oliver informed him that he shall receive a response within the next 30 days.

Mr. Beadle questioned Item 2 of Mr. LaGrange's report that stated "The Lafayette Consolidated Government has written to advise that due to the overall continued rising cost of doing business, effective April 1st, 2017, the Lafayette Juvenile Detention Home per diem rate that we charge to hold a juvenile will increase from \$125.00/day to \$250.00 per day."

Mr. LaGrange explained that St. Mary Parish has an agreement with Lafayette Parish to house juveniles from St. Mary Parish. The daily rate will increase because the number of juveniles that need to be detained has decreased due to other avenues that the judges use.
